Registration fee for the beginning beekeeping workshops (Mead and North Platte) is $35 per person plus $10 for each additional family member. Registration includes lunch, refreshments, and a workbook for new beekeepers. Preregistration is required for both workshops. The field day at East Campus in Lincoln will be a hands-on training experience for participants who attended the Mead workshop. Snacks will be available, however, lunch will not be provided so please bring a lunch or plan accordingly.

Registration fee for the advanced beekeeping workshop (Mead) is $30 per person plus $10 for each additional family member. Registration includes lunch, refreshments, and a workbook detailing the major pests and diseases bees face and management tips.

If you have questions about the workshops or need further information, contact Judy Wu-Smart at: jwu-smart@unl.edu or 402-472-8696.

Location Information:

**Mead workshops**
University of Nebraska-Lincoln
Agricultural Research & Development Center (ARDC)
Headquarters Building
1071 County Road B
Ithaca, Nebraska 68033

**North Platte workshop**
West Central Research & Extension Center
(Snyder Classroom)
402. W. State Farm Road
North Platte, NE 69101

**Directions to ARDC Education Center**
The University of Nebraska–Lincoln Agricultural Research and Development Center (ARDC) and UNL Extension in Saunders County are headquartered in the August N. Christenson Research and Education Building near Mead, Nebraska.

**FROM LINCOLN:** Take Hwy. 77 north out of Lincoln towards Wahoo. The turnoff is located 20 miles north on Hwy. 77. (You will approach a green Univ. of Nebraska Agricultural R & D Center sign, a Hwy. 66/77 sign, and a Wahoo/Ashland/Ithaca sign right before the turn.) Turn east (right) onto Hwy. 66 and travel 6 ¾ miles east. The August N. Christenson Research and Education Building is located on Hwy. 66 on the south (right) side of the road.
