

## Outreach Event Request Form

University of Nebraska—Lincoln  
Department of Entomology

Thank you for your interest in Department of Entomology Outreach programs! **Please fill out and email this completed form with your event details to [entomologyliteracy@unl.edu](mailto:entomologyliteracy@unl.edu).** That will send the request to our volunteers and we'll let you know if someone will be available for your event (please allow 1-2 weeks for a response)

**Name of Requester:**

**Title:**

**Phone number:**

**Email:**

**Name of event:**

**Location of event:**

**Date of event:**

**Time of event (start and end time):**

**Audience age:**

**Approximate number of participants (if known):**

**Please describe the event.** Who is it for (e.g., school, summer camp, library, etc.) and what type of program would you like? (e.g., presentation, educational display, live insects, etc.)

**Educational objective of your event.** As a part of the University of Nebraska, our outreach programs have an educational objective. What are the educational or learning outcomes you are interested in for your event? (e.g., insect life cycles, insect Olympics, pest management, insect diversity, etc.)

**Please note:** The Department of Entomology has a number of [ready-made kits](#) available for check-out that can be used to conduct your own insect programs.
